SUMMER
EDITION 2026

Honoring Our Past, Moving Forward

A MESSAGE FROM CHIEF AND COUNCIL

Dear Wabauskang First Nation community members, families, and friends,

As we enjoy the last bit of summer, Chief and Council would like to send warm well wishes to all. We hope this time of year brings moments of rest, connection, and gratitude as we take in the beauty of the days ahead.

Wabauskang has been busy all summer long, and we are thankful for the many ways our community has come together. We had a great turnout for the General Band Meeting on June 23rd, celebrated love and diversity at our Pride event on June 18th, and enjoyed another successful annual Powwow on June 22nd. Our kids summer programming has also been running from June 29th to August 20th, 2026, creating meaningful opportunities for our youth throughout the season.

There have been many other great events, achievements, and special moments happening in Wabauskang that are not mentioned here, and we recognize and celebrate the hard work, participation, and care that make these successes possible.

On behalf of Chief and Council, we wish everyone a safe, healthy, and peaceful end to summer and a good start to the fall season.

Miigwech,

Chief and Council

SUMMER
EDITION 2026

Honoring Our Past, Moving Forward

WABAUSKANG POWWOW

The 19th Annual WFN Powwow, held on June 22, 2026, was a tremendous success, bringing together community members, students, educators, and visitors for a day of cultural celebration and connection. The event showcased the rich traditions, vibrant culture, and strong community spirit of WFN, creating memorable experiences for all who attended.

WFN PRIDE CELEBRATIONS

WFN proudly celebrated its 3rd Annual Pride Celebration on June 18, 2026. The event brought community members together for inspiring speeches, a walk through the community, tobacco offerings, and plenty of delicious snacks, fostering a spirit of inclusivity, respect, and celebration.

GENERAL BAND MEETING

Thank you to everyone who attended the Band Meeting on June 23rd and helped make it a success. Community members joined both in person and online to engage in meaningful discussions and share their perspectives on important topics affecting our community.

KIDS' SUMMER CAMPS

From June 29 to August 20, youth in the community participated in the Kids' Summer Camps, enjoying a variety of enriching and engaging activities. Campers took part in land-based experiences, cultural programming such as hoop dancing, and creative arts activities that encouraged self-expression, learning, and a strong sense of togetherness.
